FUNERAL SERVICE

My Funeral Wishes

Why should I plan for my funeral?

Have you ever thought about what you want for your funeral? You probably already know whether you want to be buried or cremated, but what about the details? Where do you want your funeral to be held? Do you want particular readings or poems and, if so, which ones and read by whom? Is there certain music you want played? Perhaps there's even a specific route you'd like your hearse to take.

By planning ahead using My Funeral Wishes, not only will you save your next-of-kin the stress of trying to second-guess what you would have wanted, you'll also be able to put your stamp on your last celebration, ensuring it reflects what is important to you.

What next?

Even if you don't feel able to talk about your wishes with your friends or family, it's important to let someone know that you have filled out this form so that they will be able to refer to it when the time comes.

Once you have completed the form, put it somewhere safe and tell someone close to you where it is or give it to them to look after for you.

You may also want to give details to either us, your executor, or solicitor.
